

Hi, Is anyone else concerned about the amount of Harris/Walz signs in people's yards around here ? I have to say I am VERY concerned ! You may be receiving this because you have such a sign.

Don't people know that **Kamala Harris IS A MARXIST** ? She ABSOLUTELY IS ! Her Dad was a Marxist professor ! Searching produces no sign of her ever denying it, and she is known, with Bernie Sanders, the avowed "Socialist", to have been one of the farthest 2 left ideologically radical members of the Senate ! (govtrack.us/congress/members/report-cards/2020/senate/ideology).

MARXISM is the ideology of Totalitarian Communism that *so many Americans, some of US, those in our families and parents and grandparents and friends and loved ones, have **Fought and Bled and Died TO PROTECT AMERICA FROM !*** Marxism is Responsible for the MURDER and DEATH BY STARVATION of HUNDREDS OF MILLIONS of People In This Century!

Americans Love FREEDOM ! But So Many have been Deceived by our Main US Media sources (which have in recent years become Marxist Government Propaganda !) and they somehow have been lied to enough about President Trump being bad and Harris being good that they would actually support those people whose Core Ideology is HATRED and DESTRUCTION for the UNITED STATES ! Witness their OPEN BORDERS overwhelming our cities with increasing Crime and Drugs and Gangs and Rapes and Murders and Reckless Inflation-Causing Spending and Everything Else They have Done under Biden (who is now a proven traitor whose family received at least \$20 million from China and more millions from Russia !) And, Walz is a Friend of China ! Those who escaped Chinese Marxism say they are "Terrified" by what they see happening here in the US because It IS THE SAME thing that happened There In China before the RUTHLESS SLAUGHTER and STARVATION of the People there began !

The Primary Marxist Objective is to OBTAIN and RETAIN POWER BY ANY MEANS NECESSARY, Lying, which they do ALL THE TIME is only one of their tools (remember, Lying is an essential part of their strategy because to them 'the end justifies the means'). And cheating, stealing, breaking laws, enlisting and buying criminal cooperation, getting many millions of foreigners here illegally and causing them to vote or acquire and submit illicit ballots to solidify democrat/marxist/communist Power is only another part of their plan. It is completely illegal but they don't care. Also actual Election Fraud and just about any Organized Crime tactic you can think of. They do not abide by previous standards and violate laws and our Constitution whenever convenient. Harris openly says she wants to abolish the filibuster, damaging the way congress functions, and much worse, to stack the Supreme Court by adding 6 more Judges (who would of course be MARXISTS or radical left sympathizers and would put them in complete control, similar to Brazil and we saw what happened in Their recent "election"!) AND, she wants to implement the Marxist, Country and Business and Genocidal Population-Destroying tool of Price Controls...

WHATEVER YOU DO, DO NOT VOTE FOR THEM, CONVINCE YOUR NEIGHBORS NOT TO VOTE FOR THEM AND, No Matter How Much You May Fear, Hate or Dislike Donald Trump EVERY DECENT AMERICAN MUST VOTE FOR HIM INSTEAD ! He was our President before and things were Better ! And he Did Not Do Anything At All like the Lying Media is trying to make us all Afraid of !

And Vote for Republicans All down the line AGAINST ALL of the Democrats because as proven by their votes in these 117th and 118th Congresses, THEY ALL VOTE USUALLY 100% IN ONE COMMUNIST BLOCK for things that HURT our country and us ! They obey and vote with the Marxist Communist Globalists who have told us openly that their plan for us is "By 2030 you will own nothing and be happy".

These people are EVIL and control much of the world already, and have nearly all of its money !

And, most Local US level Democrat Reps and Senators are two faced communists, doing some good things here and there to keep local support but VOTING IN THE HOUSE & SENATE LIKE COMMUNISTS ! ALL must Vote for their Republican Opponents ! The 'democratic' party has become radical leftists and communists and has put them into office and can't be trusted any more at all. Those like Tulsi Gabbard, RFK Jr., Elon Musk (one of the smartest men on earth ! & You should see what he has to say about this !) and many others have seen it and know the truth and respond appropriately, AS EVERYONE SHOULD.

For real true news find Real America's Voice (americasvoice.news or Any of the many other 'alternative' (though much maligned and persecuted) media sources). At least for now we still have them, but Kamala Harris is 'very clear' that she wants to shut them all down and will do it if given the chance and then that's the end of the First Amendment guarantee of Freedom of Speech (as well as the rest of the guarantees of our Constitution !).

Yes there are a lot of exclamation marks in this but this is SO IMPORTANT ! In this 2024 Election you Must Vote As If Your Life and your Family and the Future for All Of Us Depends On It BECAUSE IT DOES !

Sorry to have to disturb you this way. You can look these things up (though much of what you will find on the internet these days is "fact-checked" and labeled as "misinformation", with internet searches producing "scrubbed" (and 1st amendment violating) results, just like MANY other things over recent years that have later proven to be true). Try comparing americasvoice.news (for example) against other mainstream networks to see which is more believable...

In conclusion. There is a Great and Dangerous Deception being performed on America. Americans, and I'm sure our neighbors as well, are good, well meaning, freedom loving people who would Never vote for Communism If They Knew The Truth ! But it is very disturbing, and indeed "Terrifying" to see it appearing that so many are about to do just that !

So Please Don't ! Instead vote for Our Survival and to Save America and Freedom ! Every American needs to **Get Out and Vote for Trump and Republicans by or on November 5th**. And for responsible Common Sense people WHO ARE NOT MARXISTS or Communists or Sharia Law Supremacists or have ANY such Anti-American destructive ideology for ALL local and Judicial offices. It is the Only Choice for America as we know it (or as we knew it before) to Survive. If you are not yet registered, in some states you can register at the poll on the 5th, see: **vote.org/voter-registration-deadlines/**

This election is Absolutely Critical ! Most don't seem to understand this; that any vote for Harris/Walz or ANY democrat is a vote to Complete the Destruction of America that has already gone too far ! It is a vote for the permanent loss of our Freedom, our Prosperity, our Safety, for the loss of our systems of Justice and Law and Order, and the continued tyrannical democrat/communist Violation of our Constitution for our and future generations. **THIS IS THE VOTE** As To Whether We Will Allow the Communists to Deliver the FINAL DEATH BLOW to our beloved America (AND the World !) or, NOT !

And, though some may discount this, there is a Great Need for Prayer ! For God to Deliver Us From Evil ! Because Evil is what Marxism Is. (See Matthew 6:9-13 & II Chronicles 7:14) **It Must Not Be Allowed Here.**
